Associate in Arts Degree

For a well-rounded liberal arts education flexible enough to allow concentrations in a particular field of interest, or to explore new interests through electives. In addition, the Associate in Arts degree in Liberal Arts offers students program options in Humanities, Communication, Criminal Justice, Early Childhood, English, Psychology, Sociology, Teacher Education, Musical Studies, and Theater.

Graduates should be able to:

- Communicate effectively in standard English and be proficient in math.
- Use analytical and critical thinking skills to do research.
- Understand the complex world of history and politics and be familiar with the basic concepts of social and natural science.
- Gain aesthetic appreciation and maintain a lifelong interest in learning.

*Students transferring to William Paterson University must take SO 102, Institutional Racism. All other students please see page for Diversity Course choices.
