Thinking of a Career in Healthcare?

You may qualify for a short-term, grant-funded healthcare class
Online SMART START: An Introduction to Healthcare.

The NJ Health Professions Grant Programs at Passaic County Community College (PCCC) provides funding for eligible candidates to explore careers in the growing field of healthcare. Students will receive English and math instruction and will have the opportunity to become CPR certified.

Eligibility Requirements Include:

- US citizenship, permanent residency, or eligibility to work
- Low-income status, including TANF and GA recipients, veterans, TAA eligible, unemployed or underemployed
- High school diploma or GED

2 Week Online Sessions

September 25th – October 5th

October 16th – October 26th

November 6th – November 16th

November 27th – December 7th

**Must come to campus one day for
Skills Training:**
