

The Passaic County Community College Foundation was established in 1976 to provide student scholarship support to PCCC students who, without the assistance of scholarship funds, would not be able to attend college. Our philosophy is to open the door to opportunity for these deserving students, many of whom overcome both financial and personal challenges to pursue their dream of a college education.

To apply for a PCCC Foundation Scholarship, you must:

- Complete this application and return to the Financial Aid Office
- Submit a FAFSA at fafsa.ed.gov (PCCC school code 000994) – don't worry if you are ineligible by federal guidelines, we use this info to determine PCCC eligibility
- Be in good academic standing
- Explain below why you need this scholarship. Be sure to include any particular financial hardship that could help PCCC determine your award (job loss, medical illness, etc)
- Preference will be given to applications received early.

Name: _____

PCCC Student ID Number: _____

Date: _____

Semester for which you are requesting aid: _____

Would you prefer a scholarship go to: Tuition and Fees ____ Books ____ Both ____

Reason for request:

For Office use only:

EFC: _____ Amount Awarded _____
