

Thanksgiving @

Passaic County Community College

celebrating our second "C"

Posted November 20, 2013

Each year the PCCC Office of Student Activities sponsors a Thanksgiving luncheon for the PCCC students, staff, and faculty.

Thanksgiving 2013 was triple the gratitude with three luncheons served on three PCCC campuses.

Pictured here is the November 20 luncheon at the Main Campus in Paterson.

Students of the PCCC culinary program prepared the feast and members of the OSA as well as staff and faculty volunteers served it up.

Happy Thanksgiving to All
from PCCC!
