

Summer 2013 Events

July Events

New Student Workshops

New student workshops are an important part of each student's transition to college. The workshops are designed to acquaint students with resources and strategies that will support their success. Students will engage in course selection and academic planning leading to registration for the first semester.

July 9	1:00 – 4:00 pm	New Student workshops only*
	9-12 pm	Advisement for current students and new students taking summer courses
