Do you work with children on the Autism spectrum?

Are you a teacher in an inclusive classroom setting?

Do you want to be better prepared for all types of students in your classroom?

This workshop is geared toward professionals who wish to learn about the characteristics of Autism and effective intervention strategies in the classrooms.

Don't miss this opportunity to enhance your teaching skills.

3 Professional Development hours will be awarded

Dr. Sharon A. Reeve Ph.D., BCBA-D, Program Coordinator of Graduate Studies in Applied Behavior Analysis and Associate Professor of Psychology at Caldwell College, will present valuable information and techniques for those working with autistic children.
