Associate of Science Degree in

Psychosocial Rehabilitation
& Treatment

A joint degree program with Rutgers

Thursday, April 9, 2015

1:00 to 3:00 pm

Center for Student Success

The Psychosocial Rehabilitation & Treatment Program is designed for students who want to specialize in working with people suffering from severe mental health and psychiatric issues. This mental health specialization is dedicated to the promotion of recovery, full community integration and improved quality of life for persons living with serious mental illness.

If you are not able to attend the event and want more information on this program, contact Christina Rojas at crojas@pccc.edu
