4. CALL (973) 684-6868 FOR MORE INFORMATION!
Fill out the application completely. This application is for first-time students. If you’ve attended PCCC before and have been away for at least one semester, please contact the Admissions Office.

**PLEASE NOTE:** International students who wish to study at PCCC on an F-1 or M-1 student visa must contact the Admissions Office for specific instructions, documents and deadlines. Please allow for at least 6 months prior to the semester you wish to begin.

**SOCIAL SECURITY NUMBER:** Please provide your Social Security number (SSN). If you do not have a Social Security number, please leave the field blank. PCCC assigns each student an identification number when we process your application. Please take note, a Social Security number is required for you to receive state and federal financial aid and some non-need scholarships, and to ensure your claim for the Hope Tax Credit on your federal tax return, if eligible. However, you are not required to submit a Social Security number for admission to PCCC.

PCCC is committed to insuring the privacy and confidentiality of every student. Although you are not required to provide your SSN for admission, your SSN helps coordinate your admission application with incoming information (i.e. high school and college transcripts) as well as the Office of Financial Aid, which must use your SSN to process your aid application. If you are an international student or recent immigrant who does not have a Social Security number, please leave the SSN field blank. You will receive your student identification number in your acceptance letter.
