WEDDING PLANNER CERTIFICATION COURSE

Every bride wants the perfect wedding—and many of them are turning to wedding planners to make their dreams come true.

Wedding planners oversee every aspect of a wedding, from consulting with brides to speaking with vendors to making sure the groom makes it to the chapel on time. With the average cost of a wedding nearing \$20,000 in America, wedding planners are needed more than ever. This course will introduce students to wedding planning as a career. Learn how to plan and organize the perfect wedding that meets the needs of your clients and exceeds their expectations. All components of running a successful wedding planning and consulting business will be covered.

Join ABC Master Bridal Consultant, Toni DeLisi to learn how to generate extra income designing and managing events in the \$120 billion wedding industry. Course materials are provided by the Association of Bridal Consultants.
