

**ANNUAL PUBLIC NOTICE**  
**Career and Technical Education**

In accordance with USDE Guidelines IV-O, Title VI: 34 C.F.R. § 100.6 (d) this notice shall serve to advise students, parents, employees and the general public that all Career and Technical Education programs offered by Passaic County Community College will be available to all students race, creed, color, national origin, ancestry, age, sex, gender identity or expression, affectional or sexual orientation, marital status, familial status, liability for service in the Armed Forces of the United States, disability or nationality.

During the academic year, Passaic County Community College offers courses that will lead to degrees or certificates in Career and Technical Education (CTE) programs; professional development as described in the College Catalog. Passaic County Community College's admission and criteria for selection in career and technical education programs do not restrict any race, color, sex, national minority origin or student with a disability from participation in the Passaic County Community College career programs. Applicants are required to meet the college's general admission criteria as well as the individual program's admission criteria. Applicants must contact the program chairperson/coordinator to determine eligibility and qualifications for a specific program. PCCC will take steps to assure that the lack of English language skills will not be a barrier to admission and participation in vocational education programs. Program and contact information can be found online at [www.pccc.edu/](http://www.pccc.edu/).
