

Passaic County Community College Continuing Education

Passaic/Paterson Campus
Spring 2012

Spanish for Educators

This 20 hour course will aid educators in their ability to communicate with Spanish speaking parents. The emphasis will be on basic communication skills associated with real life situations, the classroom and school terminology. Students will learn vocabulary that covers various aspects of a student's school career. Course is designed to aid in relationship building with Spanish speaking students and families.
