Beginning English Language Studies for College Track
Grant Funded Opportunity

This course is designed for beginning English language students who want to learn how to speak, read and write in English to pursue a college degree. Through a grant from the New Jersey Department of Labor and Workforce Development, Passaic County Community College through the Department of Continuing Education offers a limited number of seats for this academically oriented program. Students work on improving oral skills, grammar, reading and writing.

Prerequisite: Valid Social Security number and a High School degree. Students must have some English language skills.

Students must apply first, complete a College application and take the placement test. If the student is selected to participate in the above program, the students must register with CE, and purchase textbooks. Students are expected to attend all sessions or can be dropped from the course. **Students can only register for the course one time. If a student registers and does not attend, the person will not be permitted to register again.**
