

# Passaic County Community College Neighborhood University **FREE CDA Class**

Do you like children? Do you want a career working with them?  
Come and take the first step by registering in a class that will serve as a bridge to a college course where you will earn a Childcare Development Associate (CDA) certificate working with children.  
Paterson Community Technology Center can help make your dreams real.  
Come and take part in to our new bridge program where you will:

**Learn appropriate Childcare information, vocabulary, and grammar in English**

**Learn how to obtain a CDA credential**

**Learn how to get a job in the childcare field**

**Personally observe a childcare setting.**

**Prepare to take college level, certificate bearing courses**

**We offer free childcare while you take our free Bridge class:**

Passaic County Community College  
Community Technology Center  
218 Memorial Drive  
Paterson, NJ 07502
