Policy Statement

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, codified at 20 USC 1092 (f) as a part of the Higher Education Act of 1965, is a federal law that requires colleges and universities to disclose certain timely and annual information about campus crime and security policies. All public and private institutions of postsecondary education participating in federal student aid programs are subject to the compliance act. Violators can be "fined" up to \$35,000 by the U.S. Department of Education, the agency charged with enforcement of the Act and where complaints of alleged violations should be made, or face other enforcement action. Accordingly, the Public Safety Department prepares this report in cooperation with the local law enforcement agencies surrounding our main campus and other campuses of PCCC. The report also includes campus crime, arrest and referral statistics as applicable from campus officials, such as the Dean of Students. The report is posted at the following URL: <http://www.pccc.edu/clery>. Each year, e-mail notification is made to all enrolled students as well as faculty and staff regarding the web site location of the report.

On March 7, 2013, President Obama signed a bill that strengthened and reauthorized the Violence Against Women Act (VAWA). Included within the Act were amendments to the Clery Act that afford additional rights to campus victims of sexual violence, dating violence, domestic violence, and stalking. For the offenses of domestic violence, dating violence, and stalking, such statistics shall be compiled in accordance with the definitions used in section 4002(a) of the Violence Against Women Act of 1994. Since 2013, the United States Department of Education has refined reporting requirements and as such this document contains comprehensive supplements as provided by the Vice President for Human Resources, Planning, & Institutional Effectiveness; as well as the Dean of Student Affairs. They are listed as addendum A & B.

New Jersey Campus Sexual Assault Victim's Bill Of Rights

Adopted in 1995 by the New Jersey Commission on Higher Education, Pursuant to P.L. 1994 Chapter 160.

A college or university in a free society must be devoted to the pursuit of truth and knowledge through reason and open communication among its members. Academic communities acknowledge the necessity of being intellectually stimulating where the diversity of ideas is valued. Its rules must be conceived for the purpose of furthering and protecting the rights of all members of the college community in achieving these ends.

The boundaries of personal freedom are limited by applicable state and federal laws and institutional rules and regulations governing interpersonal behavior. Respect for the individual and human dignity is of paramount importance in creating a community free from violence, sexual assault and non-consensual sexual contact.

The State of New Jersey recognizes that the impact of violence on its victims and the surrounding community can be severe and long lasting. Thus, it has established this Bill of Rights to articulate requirements for policies, procedures and services designed to insure that the needs of victims are met and that the colleges and universities in New Jersey create and maintain communities that support human dignity.

BILL OF RIGHTS NJSA18A:61E-1 et.seq.:

Campus Sexual Assault Victim's Bill of Rights: A college in a free society must be devoted to the pursuit of truth and knowledge through reason and open communication among its members. Thus, it has established this Bill of Rights to articulate requirements for policies, procedures and services designed to insure that the needs of victims are met and that the colleges and universities in New Jersey create and maintain communities that support human dignity.

The following Rights shall be accorded to victims of sexual assault that occur on the campus of any public or independent institution of higher education in the state of New Jersey and where the victim or alleged perpetrator is a student at that institution and/or when the victim is a student involved in an off-campus sexual assault.

- To be notified of the options for and provided assistance in changing academic and living situations if such changes are reasonably available.

Actions to be Taken Following a Sexual Assault:

- **Step 1:** An individual who has been the victim of a crime, such as sexual assault or violence, is encouraged to get to a safe place and call 911 or Public Safety 973-684-5403 immediately. Even if the individual does not wish to report the criminal conduct to the College or to local law enforcement, he or she should still consider going to a hospital, both for his/her own health and well-being and so that evidence can be collected and preserved. Any evidence collected will be critically important should the individual decide to make an official report at a later time. The College wants complainants to pursue criminal action for incidents of sexual harassment, sexual violence and intimate partner violence that may also be crimes under New Jersey law. The College will also assist a complainant in making a criminal report and will cooperate with law enforcement agencies if a complainant decides to pursue the criminal process to the extent permitted by law.
- **Step 2:** All employee complaints of sexual misconduct must be brought to the immediate attention of the Title IX Coordinator, Mr. Jose A. Fernandez, Associate Vice President of Human Resources, 973-684-6108, jfernandez@pccc.edu. All student complaints of sexual misconduct must be brought to the immediate attention of the Deputy Title IX Coordinator, Dr. Sharon Goldstein, 973-684-6309, sgoldstein@pccc.edu.
- **Step 3:** Should the Title IX Officer and Deputy Title IX Coordinator be unavailable, students and employees may report incidents of sexual misconduct to the Director of Security at 973-684-5402.

Reporting Crimes and Emergencies

Passaic County Community College maintains its own public safety department and provides protective services during the college's hours of operation. The community is encouraged to report all crimes whether actual, attempted, or suspected, as well as any other emergency situation, to the Public Safety Department or administrative office of any of our three satellite campuses (see telephone listing on prior page) as well as to the respective police department that is responsible for jurisdiction of the respective satellite campus. Students may also report crimes to Campus Security Authorities who are designated as the following: the Director of Athletics; the Dean of Students Affairs; the Director of Student Activities; the Director for the Center for Student Success; the Administrator of the Wayne Campus, the Administrator of the Passaic campus, and the Administrator of the Wanaque campus. While the Public Safety goal is to provide a safe environment for students, faculty, and staff, you are encouraged to be aware of your surroundings and take actions that will prevent incidents by partnering with Public Safety, such as reporting suspicious behavior. A comprehensive list of contact numbers precedes this page. Annually, the college's crime statistics are compiled from reports and investigations handled by the college's security department and/or police department. Passaic County Community College also includes the crime statistics obtained from the municipal police departments where our satellite campuses are located. It is important to know that a formal police or security report or investigation is not needed in order for a crime to be included in the crime statistics provided in this report. It is also noted that with your permission, the Director of Public Safety or designee can file a report on the details of an incident without revealing your identity. The purpose of a confidential report is to comply with your wish to keep the matter confidential, while taking steps to ensure the future safety of yourself and others.

Crime Prevention

The Public Safety Departmental philosophy is to be proactive and prevent incidents from occurring to the extent possible. To that end, walking escorts are provided by public safety throughout the college's hours of operation. To request an escort contact public safety or the respective administrative office. Other crime prevention techniques include active campus patrols; use of technological systems such as closed circuit television cameras; electronic access control software with card readers located on outer campus doors and selected inner doors; and announcements to students, faculty, and staff on crime prevention tips and other safety tips.

Access to Campus Facilities

Access to academic buildings, administrative offices, student services and recreational facilities by students, faculty, and staff is accomplished through the use of their assigned College ID badge which operates electronic card readers mounted on exterior building doors. Access policies inside academic buildings during hours when classes are not in session are established by the College Administration. The general public as well as vendors, contractors, and other businesspersons are required to check-in to the Public Safety Office (E-101) in Founders Hall at the Paterson campus; or to the administrative office at each satellite campus. Passaic County Community College does not have residence halls and its buildings are closed during the overnight hours.

Maintenance of Campus Facilities

Security and safety issues are given high priority in the design of new facilities as well as existing facilities. The Public Safety Department, in an ongoing program, conducts security surveys of existing facilities, with findings and recommendations forwarded to appropriate administrative areas for remedial action when necessary. Surveys of campus lighting are conducted regularly and deficiencies promptly addressed.

Authority of Campus Public Safety, Public Safety Role, and Relationship with Local Law Enforcement Agencies

The Office of Campus Public Safety consists of a Director, two supervisors, public safety officers, and operators/dispatchers who are non-sworn employees. Non-sworn employees do not possess law enforcement arrest authority. The role of Public Safety, including practices and procedures, as well other important information such as emergency response procedures; the Community Feedback form; and parking information, for example, can be found on the PCCC Public Safety web site.

Passaic County Community College has a strong working relationship between the PCCC Public Safety Department and the Passaic County Sheriff's Department and municipal law enforcement. The Passaic County Sheriff's Department has primary responsibility of response, investigation, arrest and subsequent prosecution of any criminal activities. The College occupies several off-campus properties, located in the City of Passaic, Township of Wayne and the Borough of Wanaque. The Paterson, Passaic, Wayne and Wanaque Police Departments maintains a close relationship, monitors and responds to emergencies and criminal activity at these locations, and shares all pertinent information with Campus Public Safety Officials when appropriate. The Passaic County Prosecutor's Office also serves as a valuable resource to the Office of Campus Public Safety. Other law enforcement agencies, such as the State Police or FBI will be contacted as appropriate to the situation.

Registered Sex Offenders

New Jersey law authorizes the Division of State Police to make available to the public over the internet information about certain sex offenders required to under Megan's Law. The sex offender internet registry law can be found in the criminal justice code of the New Jersey statutes at 2C:7-12 to 129. You can access the sex offender Website at http://www.state.nj.us/njsp/info/reg_sexoffend.html.

Daily Crime Log

The Department of Public Safety maintains a written Daily Crime Log as required by the Campus Security Act. The Daily Crime Log records the date that the crime was reported; any Clery related crime that occurred on campuses or in public areas immediately adjacent to or running through campuses; and in certain non-campus facilities as defined by the Clery Act. The log includes the nature, date, time, and general location of each crime reported to the Department as well as the disposition of the complaint, if known at the time the log is written. The log is located in the Public Safety Office of Founders Hall, E-100, and may be viewed upon request.

Timely Warnings

In the event a situation arises, either on campus or adjacent to a campus, that, in the judgment of College Officials, constitutes an ongoing or continuing threat, a campus wide "timely warning" will be issued. The warning will be issued through the college e-mail system and / or the emergency alert system as deemed best and appropriate.

Possession of Alcoholic Beverages & Illegal Possession of Drugs

Passaic County Community College has been designated as "Drug Free." The possession, sale, or furnishing of alcohol on any campus is prohibited. Likewise, the possession, sale, manufacture or distribution of any controlled substance is illegal under state and federal laws. Such laws are strictly enforced by the Public Safety Department. Violators are subject to disciplinary action, criminal prosecution, fine and imprisonment. It is a violation of College policy to possess alcohol in any public or private area of campus without prior approval, which includes organizations or groups.

Sexual Assault Prevention, Reporting of Offenses, Counseling, & Disciplinary Action

Prevention of sexual assault is accomplished through a number of methods, to include active patrols by Public Safety Officers of all areas of the campus and campus buildings including remote areas; educational programs to promote awareness of sexual assault prevention via College counselors, and the securing of all campus buildings during the overnight hours. The Human Resources Department has taken steps to provide notifications to the College Community regarding actions to be taken in the event of an incident of sexual misconduct, and this was done via e-mail communication as well as posting information in the Human Resources section of the Passaic County community college web site. PCCC has no residence halls. Should a sexual assault of a student or employee occur victim(s) are encouraged to report the incident to the Police and/or any of the following officials at the College: Title IX Officer (973-684-6919); Alternate Title IX Officer (973-684-6274); Dean of Student Affairs (973-684-6919) for student incidents; or the Director of Public Safety (973-684-5402) for student or employee incidents. It is important for the victim to preserve evidence that may assist in proving that the alleged criminal offense occurred or that may be helpful in obtaining a protection order. The College is committed to supporting the victim's exercise of informed choice among services offered, and will work with the student to preserve evidence as well as assisting the student in notifying law enforcement authorities, if the student so requests. The College will assist the complainant in accessing other available complainant advocacy, academic support, counseling referrals, disability, health or mental health services, and legal assistance both on and off campus; provide other security and support, which could include issuing a no-contact or restraining order, helping arrange a change of working arrangements or course schedule (including for the alleged perpetrator pending the outcome of an investigation) or adjustments for assignments or tests; and inform the complainant of the right to report a crime to campus or local law enforcement – and provide the complainant with assistance if the complainant wishes to do so. Throughout the investigative and disciplinary process, the accuser and the accused are entitled to the same opportunities to have a support person present throughout the proceedings and will be informed of the outcome of any institutional disciplinary proceeding that is brought alleging sexual misconduct.

*One of two stalking incidents reported to police. Police report is not available for review by Public Safety.

Notes: (A) If rape, fondling, incest, or statutory rape occurs in the same incident as a murder, the institution records both the sex offense and the murder in the statistics.

(B) Institution records each report of stalking as occurring only at the first location within the institution’s Clery geography in which a perpetrator engaged in the stalking course of conduct or a victim first became aware of the stalking.

(C) Institution reports to the Department of Education and discloses in its annual security report statistics the total number of crime reports that were “unfounded” and subsequently withheld from it crime statistics. During 2014, there were three reports called Domestic Assault by the Paterson Police Department on “Public Property” at Dunkin Donuts, 126 Broadway, ultimately declared unfounded.
