

# REASON #19

## FLEXIBLE SCHEDULES

### Spring 12-Week Session Starts February 8!

Passaic County Community College's Spring 12-Week Session offers classes in business, science, arts, computer technology, teaching, healthcare careers, and much more!

You'll get the same course content and outstanding PCCC professors, all in a shorter, more intensive session.

- Affordable tuition
- Financial aid
- More than 60 degree and career programs
- Day, evening, weekend, and online classes
