

**Passaic County Community College
CONTINUING EDUCATION**

Introduces The Entrepreneur Certificate Program

Passaic County Community College introduces this spring the *Entrepreneur Certificate Program (ECP)*, a 33-hour program covering information necessary to successfully start a new business or expand existing operations. The six courses offered include:

Creating business plans

Legal issues,

Marketing strategies

Financial statements

Small business taxes

Small business record-keeping systems.

[Click here for detailed course description and class dates](#)

- Entrepreneurs and small business owners who successfully complete this program will receive an official certificate issued by **Passaic County Community College** and the **William Paterson Small Business Development Center**.
- Instructors are provided by PCCC and the William Paterson Small Business Development
- Each of the six courses in the program may also be taken individually.

For more information or to register: 973-684-6153

or visit www.pccc.edu

The ECP was developed through a partnership of The New Jersey Small Business Development Centers (NJSBDC) network and the New Jersey Council of County Colleges (NJCCC).
