## Inclusion Strategies and Interventions for Literacy and Math

A Practical Approach by Dr. Toby J. Karten

**For more information,  
please contact  
Julie Hamberlin at:**

**1 College Boulevard  
Continuing Education  
Paterson, NJ 07505**

**Phone: 973-684-6226  
Fax: 973-523-6085  
E-mail:  
jhamberlin@pccc.edu**

### Participants will learn how to:

- Plan interdisciplinary lessons address various reading, math and writing levels
- Integrate, spiral, and document literacy and math skills throughout the year.
- Develop 21st century problem solvers who are able to problem solve, think critically, collaborate as peers, and communicate information, skills and knowledge.
- Apply appropriate modifications, accommodations and challenges for all learners across the curriculum.

**Don't miss this opportunity to  
enhance your teaching skills.  
Register today.**

Toby J. Karten is an experienced educator who has worked in the field of Special education since 1976. She has an undergraduate degree in special education from Brooklyn College, Master's Degree from the College of Staten Island and a supervisory degree from Georgian Court University. Ms. Karten has presented at local, state, national as well as international workshops and conferences. She has been recognized by both the council for Exceptional Children and the NJ department of Education as an exemplary educator, receiving two "Teacher of the Year" awards.
