### *About the workshop*

This full day intensive workshop provides a practical plan for managing and motivating students by building self esteem and helping all students make better choices.

### *Participants will learn to :*

- **Prevent Classroom problems before they begin**
- **Improve student's readiness to learn**
- **Minimize student disruptions**
- **Enhance student responsibility**

### *About the Presenter*

Mr. James Gilbert is a national trainer for Linda Albert's Cooperative Discipline model. As the Regional Coordinator of Instruction for the Regional Training Center (Randolph, NJ), Jim is often called upon to do staff developments, workshops and keynote addresses throughout New Jersey, Pennsylvania, New York and Maryland. Participants in these sessions always walk away with new ideas for their classrooms.

*Don't miss this opportunity to enhance your teaching skills*
