

## Passaic County Community College Continuing Education Paterson / Passaic

**Summer 2013**

# Math Refresher

Once you've applied to Passaic County Community College, you need to take the college's placement test. The results of this test may require you to take basic skills courses that don't count towards academic credit. Taking a refresher course may improve your placement and save you a semester or more! Possible benefits include:

- increase your chances of entering directly into academic credit-bearing courses
- increase your likelihood of graduating on time

If you fit one or more of the following situations, a math refresher course may be just what you need to accelerate your learning:

- had trouble doing arithmetic and algebra
- been out of school for a while
- are planning to take the college placement test, or
- have taken the placement test and were disappointed with your results

**Cost: \$95**

**Instructional Time: 24 hours**

**Course Code:** NET 188 M3

**Dates:** M/T/W, June 3 - 18

**Time:** 5:30 pm – 8:30 pm
