1. Provide Opportunities for Acceleration
2. Improve Student Success in DE

# Acceleration Option 1: Accelerated Learning Course (DE 025 + EN 101)

The Accelerated Learning Course (DE 025 + EN 101) pairs DE 025 (Advanced Studies in Academic English) with EN 101 (Composition I). Developmental English students electively enroll in EN 101 with the concurrent support of a developmental English course (DE 025).

The Accelerated Learning Course has been successful in accelerating **80%** of students into the next level of English (Composition II).

# Acceleration Option 2: Developmental English Intensive Workshop (DE-INT)

10-Day workshop for motivated students to accelerate their progress through the Developmental English sequence. This workshop provides a unique opportunity for students to skip a level of DE or to accelerate straight to college-level English.

Overall, the DE-INT workshops are successfully accelerating students' progress through the developmental sequence. Since inception, 6 out of 10 students who participated have been able to exit into college-level English. Several other students have been able to move up one level in the Developmental English sequence

# COL 103: Student Success Course

---

This required course prepares students for college life by offering critical information and providing an ongoing support system, as needed, throughout their first semester. Students focus on attitudes and behaviors that lead to effective learning and college success. They develop critical thinking skills as they explore values and set academic and personal goals. Students will expand skills and strategies in areas such as time management, financial literacy, communication, and study skills.
