

## Access to the Arts for All

***The Passaic County Cultural & Heritage Council (PCCHC)*** and ***The Poetry Center at Passaic County Community College*** are pleased to announce the availability of audio descriptions of our publications, DVDs of past workshops, and brochures in Braille to serve our diverse audience, including persons with disabilities and organizations presenting arts and cultural programming.

Audio versions of the following publications are now available on compact disc, free on request:

*The Hamilton Club Art Collection* catalog, *The Hamilton Club Building* booklet, *The Federici Studio Collection* brochure, The Poetry Center brochure and the Passaic County Cultural & Heritage Council brochure. The Poetry Center and the Passaic County Cultural & Heritage Council's brochures are also offered in Braille and large print.

DVDs are available for loan of past technical support workshops held by PCCHC, including the "Americans with Disabilities Act Workshop – Arts Access for ALL" and the "Publicity and Marketing Workshop" (with an accompanying Media Guide also available in large print). These workshops were conducted for area arts organizations, artists, community organizations and the larger community, offering insider techniques on how to publicize cultural and arts programming and provide access to those programs.

The Passaic County Cultural & Heritage Council and The Poetry Center strive to maintain a barrier-free facility including complete access for patrons using wheelchairs, large print programs, sign-interpreted performances, audio and Braille publications, FM listening systems

and, at select performances, open-captioning. For more information on availability or requests, please contact **Ashley Kesling** at (973) 684-6507 or [akesling@pccc.edu](mailto:akesling@pccc.edu).
