Spring 2013

Pre-GED Test Preparation

**********

In this 16-hour class, you will start off with a review of basic math that will begin building the foundation you’ll need to solve the types of math problems commonly found on the test and to help you prepare for the basic GED Test Preparation course. Topics include basic arithmetic operations, fractions, decimals, percent and signed numbers.

Please purchase the book prior to the first class.

Cost: $65
