Election Day is
Tuesday, November 6
Go to the polls and VOTE!!

If you care about education,
vote YES on Public Question #1

Building Our Future Bond Act

The Building Our Future Act establishes a referendum on the November ballot seeking public approval for a $750 million investment to fund higher education capital projects in New Jersey. The initiative maintains broad political support from legislative leadership of both parties and Governor Christie. The Act won nearly unanimous approval from both the Senate and the Assembly.
