**General Information - Let’s Get Started**

_Students have a greater chance to succeed when they take responsibility for their learning and know how to navigate their educational experience at college._

**Student Identification**

**Student ID Number**

All PCCC applicants are given a unique number upon admission to the College. The college does not store academic record information by social security number. As such, communication in person and in writing needs your student ID number, not your social security number. Applying for financial aid, providing verification documentation to the Federal Government for aid and applying for employment will be the only time when your social security number will be utilized or required.

**Student ID Cards**

It is PCCC’s policy that all students must obtain and carry the PCCC student ID card. The ID card is primarily used for accessing College buildings. In addition, your student ID must be presented to receive services from registration, advisement, financial aid, bookstore, learning resource center, student activities, and more. When on campus, students are required to have their student ID on their person and ready to show their ID when asked. Students who refuse to present their ID card are in violation of Article V. Section 18 of the Student Code of Conduct. The first ID is given free of charge. If an ID is lost or stolen, a new one can be purchased for $15.00. As mentioned above, students will also need to know their student ID number when accessing services as well.

The PCCC Student ID card is obtained through Public Safety.

**College Communication with Students**

The official communication method that Passaic County Community College uses to notify its students is through the PCCC email account. All college administration, staff and faculty use the PCCC email to communicate with students. This information could be reminding students of a deadline, responding to a question or informing students of an emergency notification regarding their safety. All students are eligible to receive a free email account after applying to the college. No other personal accounts will be used for any official college business, so make sure your PCCC email can be accessed and viewed on your hand held devices or accessed through other electronic means. _You may access your PCCC student email account directly from the MY_
PCCC ACCOUNT tab found on the homepage of the college's website at www.pccc.edu. Be sure to check it regularly.

In the Event of an Emergency

Emergency Notification System (Panther Alert)
College administration can quickly communicate with students, faculty and staff in case of emergency. This emergency notification system, “Panther Alert”, uses a layered approach to communicate reaching out the college community with emails, text messages, phone calls and postings to the college’s website.

The health, safety and welfare of our faculty, staff and students are of the upmost importance, and the college wants to ensure that students contact information is accurate and up-to-date as possible.

In order for the Panther Alert system to be most effective, Users must review their contact information and update as needed. Students are required to sign-up for emergency notifications, but to receive them students must first register in the notification system (Panther Alert Tab).

Login onto your PCCC portal, click the “Panther Alert” tab at the top and follow the information on the screen.

Inclement Weather Information
The College will announce delayed openings, closings, and other emergency situations through the Panther Alert System. In addition, college closings or delayed openings are made over radio stations WCBS (880 am) and Cablevision TVChannel 12 (New Jersey News).

Health Insurance
As of April 1, 2013, the requirement that full-time college students must purchase health insurance is under review by the state of New Jersey. Current information on this requirement will be sent to your PCCC email account. Be sure to check it regularly.

Web Advisor
Web Advisor, accessed through the PCCC Portal, provides students access to web tools such as: online registration, academic records and advising, work order requests, financial aid budget records, personal profile information and more.

How do I access my student records and online services?
Login to your PCCC portal and click the Web Advisor tab at the top for more information. Use the menu options on the left to guide you and to provide helpful instructions to access your student tools such as online registration, class schedules, grades, financial profile, etc.

**Sanctions for Academic Integrity Violations**
The faculty member shall review with the student the facts and circumstances of the suspected violation whenever possible. Sanctions for violations of the Academic Integrity Policy may be an academic sanction (reduced grade, a grade of “F” for the assignment, a grade of “F” for the course), referral to the Student Affairs Office for a recommended disciplinary sanction (e.g., probation, suspension or expulsion), or both. A student is not allowed to withdraw from class to avoid sanctions.
In cases where the instructor seeks an academic sanction only, and the student does not contest either his/her guilt or the particular sanction no further action will be taken. In cases where the instructor seeks an academic sanction only, and the student denies guilt or disputes the reduced grade, the matter will be handled using the Academic Appeals Committee’s process. At this time the student will have an opportunity to present and/or refute evidence.

In cases where a disciplinary sanction is sought, the faculty member will submit a written report to the Office of Student Affairs, which will then forward the matter to the Judicial Affairs Committee for adjudication.

**Academic Grade Appeal**

Educational institutions have the responsibility for evaluating students by standards and a grading system which is publicized and known to instructors and students. The responsibility for determining the final grade of each student rests with the faculty member who has responsibility for teaching the course in which the student is responsible for demonstrating the learning which results in a final grade. A student who feels that the final grade he/she received in the class is unfair is entitled to an appeal.

Any student pursuing a grade appeal must follow the procedure outlined below. Students are responsible for taking action within the procedural timeline. Grade appeals not following this procedure are not eligible for review.

**Step One:** The student must discuss his/her concerns with the instructor.

**Step Two:** If no agreement can be reached, the student may appeal to the Chair of the department.

**Step Three:** If no agreement can be reached, then the student may appeal to the Academic Appeals Committee, which will make a recommendation to the Senior Vice President for Academic and Student Affairs.

**Step Four:** The Student may appeal directly to the Senior Vice President of Academic and Student Affairs after the Academic Appeals Committee has made its recommendations.

**Academic Grievance**

An academic grievance is defined as an academic complaint or concern which requires a resolution. Students with an academic grievance are to use the steps indicated to resolve their grievance.

**Step I:** At this level, students are required to talk to their instructor and present their concerns. It is important that the student clearly communicates his/her concerns directly to the instructor so that the problem can be addressed at this step. Dissatisfied students may proceed with the grievance in Step II.

**Step II:** If resolution of the grievance cannot be reached in Step I, then the grievance is presented in writing to the appropriate Department Chair. The Department Chair will hear the
Student’s grievance as well as talk to other parties who may be involved. Dissatisfied students may proceed with the grievance in Step III.

**Step III:** If a resolution of the grievance cannot be reached in Step II, then the grievance is presented in writing to the Senior Vice President of Academic and Student Affairs. The Senior Vice President will hear the student's grievance as well as talk to other parties who may be involved.

Financial Aid
Once you have applied (www.fafsa.ed.gov) and received financial aid, you need to follow state and federal guidelines for maintaining your aid. It is imperative that you are aware of your responsibilities as a recipient of financial aid. According to both state and federal regulations, you must meet Satisfactory Academic Performance AND Progress. This means:

1. Grades Count! In the College Catalog (found online at www.pccc.edu) you will find the federal government’s policy concerning Satisfactory Academic Performance. Satisfactory Academic Performance is defined as maintaining a satisfactory cumulative Grade Point Average (GPA) and goes as follows:
   - First semester, a cumulative GPA of 1.4 or higher is required.
   - Second semester, a cumulative GPA of 1.6 or higher is required.
   - Third semester, a cumulative GPA of 1.8 or higher is required.
   - Fourth semester, or more, a cumulative GPA of 2.0 or higher is required.

2. Dropping a course may affect your financial aid! Even if you have good grades, dropping a course or courses may put your financial aid at risk. To remain eligible for financial aid, it is
important that you complete all the courses you register for. Satisfactory academic progress is calculated by comparing the number of credits completed to the number of credits attempted.

<table>
<thead>
<tr>
<th>Credits attempted</th>
<th>Percentage completed</th>
</tr>
</thead>
<tbody>
<tr>
<td>12 - 24</td>
<td>50%</td>
</tr>
<tr>
<td>25 - 48</td>
<td>60%</td>
</tr>
<tr>
<td>49 – 72</td>
<td>70%</td>
</tr>
<tr>
<td>73 – 96</td>
<td>80%</td>
</tr>
<tr>
<td>97 +</td>
<td>90%</td>
</tr>
</tbody>
</table>

Please note that “D” grades do not count as successfully completed courses for ESL, Developmental Studies or courses in the major.

There are “new” guidelines regarding Probation and Suspension of financial aid and repeating coursework. It is important that you do well in your courses, complete everything you register, and periodically meet with your financial aid and academic counselors. You can find the full details in the College Catalog.

If you need more information, or if you are concerned about your financial aid eligibility, please visit the PCCC Financial Aid Office on the Main Campus in Paterson, room A140 or call 973-684-6100.

This procedure is designed to address extenuating medical circumstances that have occurred during the semester that prevent a student from completing their studies. Extenuating Medical Circumstances are defined as nonrecurring events that are directly impacting the student or the student’s minor child. Documentation for this request is required and should indicate a serious personal medical situation that prevented the student from completion of the course. Please note, students are responsible for payment of bookstore charges.

• Requests will not be considered for courses with posted grades already issued.
• Relevant documentation must be supplied. Documents will include the medical withdrawal – documentation form provided by PCCC, and a letter from the physician on letterhead (prescription pad notes are not acceptable) indicating the time period that the student would be unable to attend class.
• The College will review each request individually and a final decision will be based on the merits of the request and the documentation provided.
• Responses will be made within 2-4 weeks and the students will be notified via College email.
• Students will receive a credit to their account to be used within 12 months from the decision date.

NJ Department of Heath Immunization Requirements
New Jersey law (NJAC 9:2-14) requires that all new PCCC students born after 1956 who have enrolled for 12 or more credits present proof of immunization from measles, mumps and rubella. NJ college students registered with 12 credits or more, regardless of age, must complete Hepatitis B series within 9 months of attendance. This proof must be presented either before the beginning of the student’s first semester of full-time enrollment or within 60 days of enrollment.
The State of New Jersey may deny continued enrollment to those students who do not comply with this regulation.

Proofs of immunizations are:

- An immunization transcript or school immunization transcript signed by a licensed physician showing exact dates and dosages of vaccinations for measles, mumps and rubella. (The State requires proof of two doses of measles vaccine.)
- Copy of a medical laboratory report or MMR certificate confirming immunization to measles, mumps and rubella.

**Sexual Assault**

Title IX of the Education Amendments of 1972 (Title IX), 20 U.S.C. §§ 1681 et seq., and its implementing regulations, 34 C.F.R. Part 106, prohibit discrimination on the basis of sex in education programs or activities operated by recipients of Federal financial assistance. Sexual harassment of students, which includes acts of sexual violence, is a form of sex discrimination prohibited by Title IX. In order to assist recipients, which include school districts, colleges, and universities (hereinafter “schools” or “recipients”) in meeting these obligations, this letter explains that the requirements of Title IX pertaining to sexual harassment also cover sexual violence, and lays out the specific Title IX requirements applicable to sexual violence. Sexual violence, as that term is used in this letter, refers to physical sexual acts perpetrated against a person’s will or where a person is incapable of giving consent due to the victim’s use of drugs or alcohol. An individual also may be unable to give consent due to an intellectual or other disability. A number of different acts fall into the category of sexual violence, including rape, sexual assault, sexual battery, and sexual coercion. All such acts of sexual violence are forms of sexual harassment covered under Title IX.

Passaic County Community College does not tolerate sexual assault in any form. Where there is probable cause to believe that college regulations prohibiting sexual assault have been violated, the College will pursue strong disciplinary action through its student conduct and due process procedures. This discipline includes the possibility of suspension or dismissal from the College. An individual charged with sexual assault can be prosecuted under New Jersey criminal statutes and disciplined under Passaic County Community College's institutional policies. Even if the criminal justice authorities choose not to prosecute, the College can pursue disciplinary action.

**Campus Sexual Assault Victim's Bill of Rights:** A college in a free society must be devoted to the pursuit of truth and knowledge through reason and open communication among its members. Academic communities acknowledge the necessity of being intellectually stimulating where the diversity of ideas is valued. Its rules must be conceived for the purpose of furthering and protecting the rights of all members of the university community in achieving these ends. The boundaries of personal freedom are limited by applicable state and federal laws and institutional rules and regulations governing interpersonal behavior. In creating a community free from violence, sexual assault and non-consensual sexual contact, respect for the individual and human dignity are of paramount importance.
The State of New Jersey recognizes that the impact of violence on its victims and the surrounding community can be severe and long lasting. Thus, it has established this Bill of Rights to articulate requirements for policies, procedures and services designed to insure that the needs of victims are met and that the colleges and universities in New Jersey create and maintain communities that support human dignity.

The following Rights shall be accorded to victims of sexual assault that occur on the campus of any public or independent institution of higher education in the state of New Jersey and where the victim or alleged perpetrator is a student at that institution and/or when the victim is a student involved in an off-campus sexual assault.

1. Human Dignity Rights
   - to be free from any suggestion that victims must report the crimes,
   - to be assured of any other right guaranteed under this policy,
   - to have any allegations of sexual assault treated seriously; the right to be treated with dignity.
   - to be free from any suggestion that victims are responsible for the commission of crimes against them,
   - to be free from any pressure from campus personnel to report crimes if the victim does not wish to do so,
   - report crimes as lesser offenses than the victim perceives the crime to be,
   - refrain from reporting crimes to avoid unwanted personal publicity.

2. Rights to Resources On and Off Campus
   - to be notified of existing campus and community based medical, counseling, mental health and student services for victims of sexual assault whether or not the crime is formally reported to campus or civil authorities.
   - to have access to campus counseling under the same terms and conditions as apply to other students in their institution seeking such counseling.
   - to be informed of and assisted in exercising any rights to confidential or anonymous testing for sexually transmitted diseases, human immunodeficiency virus and/or pregnancy.
   - any rights that may be provided by law to compel and disclose the results of testing of sexual assault suspects for communicable diseases.

3. Campus Judicial Rights
   - to be afforded the same access to legal assistance as the accused.
   - to be afforded the same opportunity to have others present during any campus disciplinary proceeding that is allowed the accused.
   - to be notified of the outcome of the sexual assault disciplinary proceeding against the accused.

4. Legal Rights
   - to have any allegation of sexual assault investigated and adjudicated by the appropriate criminal and civil authorities of the jurisdiction in which the sexual assault is reported,
   - to receive full and prompt cooperation and assistance of campus personnel in notifying the proper authorities,
5. **Campus Intervention Rights**
- to require campus personnel to take reasonable and necessary actions to prevent further unwanted contact of victims by their alleged assailant,
- to be notified of the options for and provided assistance in changing academic and living situations if such changes are reasonably available.

**Sexual Harassment**
Sexual harassment is illegal. Both state and federal law prohibit harassment of any employee, student, agent, or member of the College community by any executive, supervisor, employee, student, or visitor on the basis of sex or gender. Sexual harassment is defined under federal law as unwelcomed conduct of a sexual nature. Sexual harassment includes unwelcome sexual advances, requests for sexual favors and other non-verbal or physical conduct of a sexual nature. Sexual harassment of any student can deny or limit, on the basis of sex, the student’s ability to participate in/or to receive benefits, services, or opportunities in the school’s program.

Passaic County Community College prohibits sexual harassment and sexual violence. The College’s policy requires any employee or student who sexually harasses or commits acts of sexual violence against another employee, student, agent, or member of the College community be subject to disciplinary action up to and including termination of employment or expulsion. This policy also prohibits consensual amorous relationships or physically intimate or improper relationships between a faculty or staff and a student even in the absence of a current professional or supervisory responsibility with respect to the student.

Anyone who feels he or she has witnessed or been subjected to sexual harassment should immediately report the matter to either the Vice President of Human Resources or the Dean of Student Affairs. Every incident of reported harassment will be fully investigated in a timely fashion and corrective action will be taken promptly where appropriate. Violation of this policy will result in disciplinary action up to and including discharge or expulsion of the harasser with notification of the student presenting the charge of harassment. College outcomes will not be dependent upon legal outcomes nor will the investigation or disciplinary process be delayed pending the outcome of the legal process.

Grievance procedures may include voluntary informal mechanisms for resolving some forms of sexual harassment, however a student who complains of harassment will not be asked to work-out a problem directly with an alleged perpetrator. The student can end the informal process at any time to begin a formal process. In cases involving allegations of sexual assault, mediation will not be allowed. In addition, the College will seek to prevent any reoccurrence of sexual harassment and will not permit any form of retaliation against individuals who report unwelcome conduct to administration or who cooperate in the investigation of such reports.

Students should be aware that the student conduct process is quite different from criminal and civil court proceedings. Procedures and rights in student conduct proceedings are conducted with fairness to all, but do not include the same protections afforded by the courts. Fair treatment assures written notice and a hearing before an objective decision-maker, as described within these procedures. No student will be found in violation of College policy without information showing that it is more likely than not that a policy violation occurred, and any sanction will be proportionate to the severity of the violation.

B. The Student Code of Conduct will apply to students engaging in activities on campus, or at any of the Passaic County Community College premises as well as to College approved functions on or off campus.

C. Special Provisions:

1. Attempted Violations - PCCC will treat attempts to commit any of the violations listed in the Student Code Conduct as if those attempts had been completed.

2. College as Complainant - As necessary, PCCC reserves the right to initiate a complaint, to serve as complainant, and to initiate conduct proceedings without a formal complaint by the victim of misconduct.

3. False Reports - PCCC will not tolerate intentional false reporting of incidents. It is a violation of the Student Code of Conduct to make an intentionally false report of any policy violation.
4. Immunity for Victims/Witnesses/Those Offering Assistance - The PCCC community encourages the reporting of conduct code violations and crimes. It is in the best interests of this community that victims, witnesses and those offering assistance report violations to College officials. To encourage reporting, PCCC reserves the right to offer victims of crimes, witnesses and those offering assistance various degrees of immunity including amnesty.

5. Parental Notifications Pursuant to the Family Educational Rights and Privacy Act (FERPA). PCCC reserves the right to notify the parents/guardians of dependent students regarding any conduct violation. Regardless of dependency status, PCCC may contact the parents/guardians or family of any student to inform them of situations in which there is a health and/or safety risk. PCCC reserves the right to designate which college officials have a need to know about individual conduct complaints pursuant to the Family Educational Rights and Privacy Act (FERPA).

6. Notification of Outcomes - The outcome of a campus hearing is part of the educational record of the accused student, and is protected from release under federal law, FERPA. However, PCCC observes the legal exceptions as follows:
   a. Complainants in non-consensual sexual contact/intercourse incidents have an absolute right to be informed of the outcome and sanctions of the hearing, in writing, without condition or limitation.
   b. Complainants in sexual exploitation/sexual harassment complaints have a right to be informed of information regarding sanctions that personally identifies and is directly pertinent to them, such as the imposition of a restriction on physical contact between the complainant and the accused student. Otherwise, information on the outcome and sanction cannot be shared.
   c. PCCC may release publicly the name, nature of the violation and the sanction for any student who is found in violation of a college policy that is a "crime of violence". PCCC may release this information to the complainant in any of these offenses regardless of the outcome, but complainants are cautioned that FERPA does not permit them to re-release this information to others.

7. Misconduct Online. Students are cautioned that inappropriate behavior conducted online can subject them to College conduct violations. Students must also be aware that blogs, web pages, and online postings are in the public sphere, and are not private. The College may take action if and when such information is brought to the attention of College officials.

In such cases a determination and/or if the complaint can be addressed administratively by mutual consent of the parties involved. Written notice will be mailed to the address on record but can also be emailed to a student's official College email account. Notice is presumptively delivered upon being mailed or emailed. After the hearing, the Judicial Affairs Committee shall determine by majority vote whether the student has violated each section of the Student Code of Conduct that the student is accused of violating. The Committee will make a written recommendation to the Dean of Student Affairs about possible appropriate sanctions, if any violations of the Student Code of Conduct are found. m. A decision that a student did or did not violate PCCC regulations and/or a decision that imposed sanctions may be appealed by the accused student or complainants to the President of Passaic County Community College within five (5) school days of the decision. Such appeals will be in writing and will be delivered to the President or his or her designee. The President reviews the matter only to determine whether one of the following grounds for appeal has merit:a. was the original hearing conducted fairly in light of the alleged violation and information presented and in conformity with PCCC regulations and/or procedures; b. was the determination about whether the regulations and/or procedures were violated based upon substantial information; that is, was there information sufficient to justify the Committee’s determination; c. was the sanction(s) imposed appropriate for the violation of the Student Code of Conduct which the student was found to have committed; d. is there new information sufficient to alter a decision because such information was not known to the person appealing at the time of the original hearing.

2. The President, upon the filing of such appeal, may (a) affirm the decision as to whether PCCC regulations were violated and, if so, impose a sanction(s) or (b) remand to the original Judicial Affairs Committee and the Dean of Student Affairs and/or the Senior Vice President for Academic and Student Affairs to correct an error in following PCCC procedures.

3. The President will advise the student in writing within a reasonable time of his/her decision.
VII. Interpretation and Revision

A. Presidential Power - nothing in these regulations will be deemed to limit the final authority of the President of the College in all matters relating to violations of the Student Code of Conduct and the imposition of the discipline or sanction(s).

B. The Student Code of Conduct should be reviewed periodically under the direction of the Dean of Student Affairs.

C. Any question or interpretation regarding the Student Code of Conduct shall be referred to the Dean of Student Affairs.

Graduation
The annual Commencement ceremony is held at the end of the spring semester. However, students completing their graduation requirements in August or December will have their degree posted to their transcript by the end of said month. All graduates are expected to participate in commencement exercises. Only students whose eligibility for graduation has been approved by their academic department and certified by the Registrar are permitted to participate in commencement activities.

All requirements of the program in which the student is matriculated, as stated in the current official copy of the College Bulletin at the time of matriculation, must be met. The granting of a degree from Passaic County Community College will require no less than 60 college-level credits, with a minimum of 30 credits completed at Passaic County Community College. Students must complete at least one-half of credits required in their major at Passaic County Community College. Students intending to graduate must notify the Registrar. No student may be awarded any degree from Passaic County Community College until successful completion of a College Writing Examination. The examination is administered regularly and a student may attempt the examination more than once if necessary. No student may be awarded the Associate Degree in Nurse Education until he/she has passed a comprehensive nursing examination near the end of his/her program.

Students must complete all the steps for graduation in order for their degree to be posted to their transcript and to receive a diploma. In order to ensure proper advisement, students are encouraged to apply for graduation before registering for their final semester. Information is available at the Registrar’s Office and the Center for Student Success.

Important: Be sure you have taken and passed the College Writing Exam (CWE) and that you have no outstanding debts to the College.

Step 1: Make an appointment with the department chair of your academic program to complete the graduation checklist. The Graduation checklist form can be obtained at the Registrar’s Office or can be downloaded from the college’s website. Do not forget to print out a copy of your degree audit or pick up a copy in the Registrar’s Office to bring to your appointment with your department chairperson.

Step 2: Submit the graduation application and checklist to the Registrar’s Office before registering for your final semester. Graduation applications are located in the Center for Student Success or can be downloaded from the college’s website.

Step 3: Once the graduation application and checklist are received, the Registrar’s Office will evaluate your academic record and notify you of your status via your pccc.mailcruiser.com email account.

If you have any questions regarding the graduation process, please email registrar@pccc.edu.
